We would like to inform you about the traditional event which happens every May in Tržič sport hall, namely **39th International days of minerals, fossils and environment - MINFOS 2011**.

The event **Minfos** could be easily classified among the major mineral exhibitions in Europe. The average number of visitors, who are coming to see the exhibition, is approx. 6 000 visitors in two days. Several expert exhibitors and more exhibitors from European Union and are the reason for a positive estimation. The main part of the event was an exhibition featuring 70 exhibitors from Slovenia, Austria, Italy, Poland, Germany, India, Czech republic, Slovakia, France, Russia, Hungary, Kosovo, Maroko, India, Pakistan and other countries. Collectors of minerals and fossils as well as various institutes meanwhile exchanged opinions, minerals and fossils, and get acquainted with news and meet geology experts.

Exhibition program:

- Minerals, fossils and jewelry market
- Expert exhibitions and other displays
- Creativity and education workshops for children and adults
- Organised visits of the gorge Dovžanova soteska and the mine Šentanski rudnik in Podljubelj
- Handicraft bazaar
- Displays of museum collections

You are kindly invited to present your collection at the sales exhibition. The arrival of the exhibitors and exhibition setting is expected on **Friday, May 13 2011, from 2 to 4 PM**.

We would like to get your confirmation (completed, undersigned and stamped application form) by post or e-mail till April 15, 2011.
